

2022 CBDL Annual Conference

John O'Callaghan, Secretary/Manager
South Columbia Basin Irrigation District

South Columbia Basin Irrigation District

Partial Title Transfer

- Urbanization in Blocks 1, 2 and 3
- Local Control of Resources

Water Rights and Acreage

- Working with Ecology and Reclamation to identify ways to address current acreage limitations of our water rights.
- Concerned about the proposed WRIA 58 (Lake Roosevelt) adjudication

Opportunities for Reclamation on the Columbia Basin Project

- East Pasco Basin Groundwater
- How can we work with Reclamation to start the conversation about 2nd half completion?
 - Now is the time - drought in the west, food security concerns, significant federal spending
 - What does it look like for Reclamation to be a part of project completion?

Operational & Technological Opportunities

- SCADA modernization

Any Questions?
