

# 2023 Conference

## *Schedule-at-a-Glance*

### *Purpose*

The Columbia Basin Project includes 300,000 acres still waiting for Project water. What would it actually take for those acres to be irrigated? Is it even feasible today? Gain a better understanding of what Project completion would entail, including the, what, why, who, and how.

*Thank you to our Conference

*Program and Event Sponsor List Updated Regularly*

CONFERENCE PRESENTING  
SPONSOR

Your membership makes our work possible. The League relies primarily on membership for the necessary funds to engage in continuous advocacy and outreach activities in support of the Columbia Basin Project and related initiatives. You make it possible for the League to regularly monitor and shape policy and legislation impacting the Project, and to take action when needed.
